

ATTENTION PORTOLA AND FUTURE PORTOLA PARENTS!

On January 6, 2010, the WCCUSD Board voted to abandon their previous decision to temporarily house Portola Middle School students at ECHS during construction of a new Middle School at the former Castro Elementary School site. During the meeting they looked at 8 options, but narrowed it down to the last 2 that they will now consider at the JANUARY 20th Board Meeting at DeJean Middle School at 6:30 pm. (see www.wccusd.net for details)

- 7: close Portola permanently and distribute students to other middle schools
 - move special education to other schools
 - make Madera a K-6 campus
 - put portables on Madera for K-6 campus
 - OR eliminate transfers to Madera
 - make Ford at k-6 campus (to create space at Helms Middle School)
 - redistrict Middle School Attendance Areas
 - put more students at Pinole, Crespi, Helms, DeJean Middle Schools
- 8: Temporarily re-assign Portola students at the below schools until new building is completed in 2014.
 - K-8 at Mira Vista
