

International Night

"LET'S DANCE AROUND THE WORLD"

Thursday, March 22, 2012

6:00 p.m – 8:00 p.m

The Madera community represents ethnicities, nationalities and religious cultures from all over the world! We have 20 different languages spoken, from Farsi to Portuguese to Mien!

We invite everyone to volunteer talents to showcase what Madera is made of!

TALENT: We know Madera's got talent, now let's see it! Students are invited to perform (2-4 min.). Please let us know what type of performance your child would like to do. We'd love to see dance, music, poetry, recitals, etc. that represent your Country. Please let us know by **Wednesday February 1st. No Exceptions.** Rehearsals will be announced next week. Spaces are limited.

FOOD: Bring food to share! We are highlighting appetizers, finger foods, desserts and beverages. Bring food from around the world!

REPRESENT YOUR COUNTRY: Find your "geography buddies": North America, Central and South America, Australia, South East Asia, Europe??? We'll have booths for your cuisine and everything else you want the Madera community to know about your Country.

Thank you in advance for your participation!
